

Product Name :
Tissue Homogeniser

Product Code :
ANL-THM-0001

Description :

Tissue Homogeniser

Technical Specification :

Tested on varied qualitative measures, this homogenizer is manufactured by utilizing quality approved components under the surveillance of our adroit experts.

The offered homogenizer is mainly used in research labs for the homogenization of tissue, plant, food, soil and various other materials.

Further, the provided Laboratory Tissue Homogenizer can be availed from us at highly competitive rates.

Features:-

Fitted with a holder

Sturdy design

Optimal strength

Suitable for tissue grinding
